The Institute
National Institute of Technology, Kurukshetra, one of the 31 NITs in the country, is a premier center of learning and research in various disciplines of Engineering and Management. It trains and develops high caliber professionals to serve not only the country but also the world at large. Established in 1963 as an REC- a joint enterprise of the Government of India and the Government of Haryana -the college was elevated to a National Institute with Deemed University status in June 2002. The Institute has made rapid strides in expanding and upgrading facilities, enhancing the quality of education and strengthening the linkage with industry. The Institute Alumni are well placed in reputed organizations in India and abroad.

The Department
The Department of Business Administration, NIT Kurukshetra has been actively pursuing management education, research, and manpower training programs for producing globally competent management professionals since its establishment in the year 2006. Through its two-year MBA program, the department has been conducting focused activities to enhance the essential skill-set amongst the students for equipping them with optimal compatibility and competency anticipated by employers in the corporate world. In short span of its existence, the Department has achieved the recognition of being a leading Centre of Management Education in the region.

Kurukshetra

Kurukshetra, steeped in history and mythology, is a place of great spiritual significance where Lord Krishna delivered the divine message of Shrimad Bhagwat Gita. This place from where knowledge spread far and wide was chosen as his capital by King Harshwardhana. It is one of the premier Centre of pilgrimage, attracting devotees in a steady stream all-round the year. Kurukshetra is a railway junction on the Delhi- Karnal-Ambala section of the Northern Railway. It is about 160 kms. from Delhi. The Institute is about 10 kms from Pipli, a well-known road junction on the Sher Shah Suri Marg (NH-1), and about 5 kms from Kurukshetra Railway Station.
